

LAB PROCEDURES & WAIT TIMES

You must check in at the front lobby for all lab services.

Please note:

- If you're coming from a provider appointment or dropping off a specimen, please register at the front lobby to obtain a place in line at the lab.
- You will be called in the order in which you were registered.
- If you are dropping off a specimen, please register at the main lobby first, then listen for your name to be called to ensure proper labeling. Do NOT leave samples on the counter.

**Due to COVID-19 our lab wait times may be longer than usual.
We apologize for the delay.**

Thank you for your cooperation and patience!
