Dear ________________________________,

It is our pleasure to welcome you to our practice. We are sending you some information prior to your appointment in order for your first visit to be as efficient as possible. Please fill out the patient data sheet and health history form and bring them with you. We will also need a urine specimen at the time of your visit, so please do not empty your bladder before your appointment!

Your appointment is scheduled for _______________________ at _______________.

Please check in at ______________.

Please be sure to have your insurance information with you for this appointment. If your insurance requires a co-pay, we ask that you pay it at the time of service. If a referral authorization is required, please make sure you contact your primary care provider prior to your scheduled visit. All self-pay patients will be required to pay for the visit in full at the time of service

If you have any questions, please call our office at (360) 299-4980.

Sincerely,
Island Urology

PATIENT INSTRUCTIONS

Sexual health is an important part of an individual's overall physical and emotional well-being. Erectile dysfunction, also known as impotence, is one type of very common medical condition affecting sexual health. Fortunately, there are many different treatment options for erectile dysfunction. This questionnaire is designed to help you and your doctor identify if you may be experiencing erectile dysfunction. If you are, you may choose to discuss treatment options with your doctor.

Each question has several possible responses. Circle the number of the response that **best describes** your own situation. Please be sure that you select one and only one response for **each question**.

OVER THE PAST 6 MONTHS

Question						
1. How do you rate your confidence that you could get and keep an erection?		VERY LOW	LOW	MODERATE	HIGH	VERY HIGH
